

Mr. Michael Schiller

Senior Director of Supply Chain, AHRMM

Michael Schiller, CMRP, is the Senior Director of Supply Chain for the AHA and the Association for Health Care Resource & Materials Management (AHRMM), a professional membership group of the American Hospital Association (AHA). As the organization's subject matter expert he brings over 30 years of health care supply chain experience to his role. In this capacity Schiller collaborates with industry leaders across the health care ecosystem on various supply chain, advocacy and regulatory initiatives as well as works with AHA and AHRMM executive leadership on the development of the association's strategic direction and initiatives including the Cost, Quality, and Outcomes Movement, Clinically Integrated Supply Chain, Learning UDI Community and COVID-19 focused activities including AHRMM's vendor vetting program and the AHA's Dynamic Ventilator Reserve program.

Schiller holds a graduate certificate in information systems management from the Keller Graduate School of Management, a Bachelor's degree in business management from Northeastern Illinois University, is a Certified Materials & Resource Professional (CMRP), and a certified Lean Six Sigma Green Belt.
